
Consequences

What necessarily follows (as night follows day)

Servants cannot cancel or ignore their master's will
without serious consequences.

Subjects cannot cancel or ignore a ruler's edict
without serious consequences.

Workers cannot cancel, ignore, or change management's rules
without serious consequences.

Followers of Christ cannot cancel, ignore, or change His will
without dire consequences.

**Only two choices: accept and obey, reject and not obey.
One has reward, the other condemnation.**

Warnings

Don't Change the Gospel

*I am amazed that you are so quickly deserting Him who called you
by the grace of Christ, for a different gospel; which is really not
another; only there are some who are disturbing you and
want to distort the gospel of Christ.*

Galatians 1:6-7

Don't Seek to Have Your Ears Ticked

*For the time will come when they will not endure sound doctrine;
but wanting to have their ears tickled, they will accumulate for
themselves teachers in accordance to their own desires, and
will turn away their ears from the truth and will turn aside
to myths.*

2 Timothy 4:3-4
